PREAMBLE

Throughout history, the FC BARCELONA penyes (supporters clubs) have played a crucial role in disseminating and promoting the Barcelona sentiment. Since the 1940s and up until the present-day, this kind of associations have steadily increased in number and their support towards FC BARCELONA has never faltered.

Today, the Club considers them to be even more necessary and important in the promotion of its historical values, namely: ethics, public spirit, social inclusion, tolerance, sportsmanship, fair play, solidarity, democracy, Catalan identity, universality, and other values which capture the essence of FC BARCELONA's commitment to society.

The emergence and development of new technologies have reduced the distances between people and have enabled FC BARCELONA fans from around the world to communicate immediately with one another.

The steady increase of the number of such associations has therefore made it necessary to draw up a series of standards to help establish a relationship between the Club and its supporters clubs as efficiently as possible.

These regulations, with respect to the spirit of previous standards, update and adjust the relationships between FC BARCELONA and its supporters clubs in a bid to adapt them to contemporary times.

I. GENERAL CONCEPTS

Article 1: DEFINITIONS

1. FC BARCELONA supporters clubs are sovereign and independent associations, incorporated in accordance with the terms stipulated in Article 22 of the Spanish Constitution, and enforced through the following: its own Articles of Association; the Catalan Associations Act 7/1997, of 18 June; Book Three of the Civil Code of Catalonia relating to legal persons, Act 4/2008, of 24 April, or alternatively, legislation relating to each autonomous community; the Right of Association Act 1/2002, of 22 March; or legislation that replaces any of the aforementioned acts; or national country regulations, in the case of foreign associations. They aim to promote, maintain and improve the

representativeness and public awareness of FC BARCELONA around the world, as well as to foster the Club's historical values and fraternity among members and supporters, by backing the Club's objectives.

2. Club supporters are all natural persons who are members of an FC BARCELONA supporters club, who voluntarily comply with the Articles of Association of their supporters club and these regulations, according to the rights and duties granted by these standards and corresponding legislation, and who are committed to the objectives of their supporters club and the Club. The Club acknowledges club supporters by providing a membership card to all individuals identified by the supporters club as being associated to its organisation. According to the annually determined conditions, this card will allow them to access information and promotions put in place by the Club or by the supporters club movement for their benefit.

Article 2: CONNECTIONS

1. The FC BARCELONA Articles of Association, passed by the Ordinary General Assembly on 19 August 2009, indicate in Article 15: "Special consideration shall be provided by the Club to members of associations that support FC BARCELONA objectives, taking into account their significant contribution to raising awareness of the Club, while completely respecting the independence of these associations". Therefore, once an FC BARCELONA supporters club has been incorporated in accordance with current regulations and recognised by the Board of Directors, it will hold the rights and obligations inherent to such status, as regards its involvement in the Club's social activities, as the Club may host an annual Supporters Club Conference made up of members thereof. The supporters clubs' rights and obligations as regards their connection to FC BARCELONA shall be indicated in these supporters club regulations, to be passed by the Board of Directors.

2. Under no circumstances may FC BARCELONA be involved in the creation of a new official supporters club, nor in the operations and/or dissolution of any supporters clubs, notwithstanding the removal of the condition of an official supporters club for the cases established under Article 10 of these regulations. At all times, it will provide advice regarding supporters club incorporation and registration procedures in the relevant associations registry and in the

FC BARCELONA's Supporters Club Registry. It will endeavour to provide the necessary forms and information, wherever possible.

3. Members of the Club's commissions may not apply for a position in an official supporters club, unless subsequently appointed by the Club to become a member of a commission.

4. To the extent possible, supporters clubs shall undertake to take part in all activities linked to FC BARCELONA which are carried out in their region, without these entailing any obligations whatsoever.

Article 3: REQUIREMENTS TO FORM A SUPPORTERS CLUB

The following are essential requirements to appoint and maintain a supporters club:

a) The supporters club president must be a member or holder of a commitment card of FC BARCELONA from the time of application. If the condition of member or holder of a commitment card of FC BARCELONA is lost for any reason, including death, the supporters club shall have a period of three months to appoint a new president, who must comply with the same requirements.

b) Supporters clubs domiciled in Catalonia must have at least five supporters club members who are members or holders of the commitment card of FC BARCELONA. If, subsequently, the number of members or commitment card holders decreases to less than the minimum of five, the supporters club shall have a period of three months to include the necessary club supporters in order to continue to meet this requirement.

c) The supporters club must include at least the members indicated in the following table, according to the number of inhabitants registered in the municipality or local community in which the new supporters club shall be incorporated:

| INHABITANTS | MINIMUM MEMBERS | |
|------------------|-----------------|-----------------------|
| | CATALONIA | REST OF SPAIN / WORLD |
| Up to 2,000 | 40 | 25 |
| 2,001 to 5,000 | 60 | 45 |
| 5,001 to 25,000 | 75 | 60 |
| More than 25,000 | 85 | 70 |

Exceptionally, and provided that a favourable report by the area delegate is available justifying the reason for which a supporters club does not meet this requirement, and after approval from the Supporters Club Advisory Council, the Board of Directors may consider these reports and, where applicable, allow a supporters club to be incorporated which does not meet the indicated member minimum.

d) Two thirds of the board of director members must be registered or regularly reside in the city or town in which the supporters club is located.

e) The supporters club must have a head office, be this rented, on a concessionary basis or owned premises. Under no circumstances may this be a private dwelling. However, it may be an apartment or premises used to carry out activities which differ from those of the dwelling. If the head office is located in a bar, restaurant, shop or premises open to the public, etc., the owner or holder of the business or activity may not be the president or a member of the supporters club board of directors under any circumstances. The Club may decide not to allow an official supporters club to become established when the proposed address, due to the business being carried out, goes against the values supported by the Club.

f) Each supporters club must have its own head office and address, which cannot be shared with another supporters club. A post office box may not be used as a supporters club head office, notwithstanding the fact that a supporters club may have a post office box for the purposes of receiving mail.

g) In municipalities or local communities with less than 25000 people, only one supporters club is allowed. In those with over 25000 inhabitants, there must be a distance of at least 1,000 m (1 km) between clubs. Under all circumstances, the delegate must agree to the creation of a supporters club.

h) The supporters club must appoint a spokesperson to communicate with the Club. This person must be a member of the supporters club board of directors.

i) The name and logos must comply with the terms stipulated in Article 4 of these regulations.

Article 4: APPLICATION AND NAMING

1. Before establishing a supporters club, the parties concerned must complete and submit an application to the Supporters Club Department, indicating the following details:

- Name or company name of the supporters club.
- Address.
- Number of inhabitants in the town in which the supporters club is located.
- Details of the contact person.

Within a maximum period of 15 days, the Club shall ensure that the application meets the requirements stipulated under Article 3, shall indicate in writing that the new supporters club may be established, and shall inform the party concerned of the subsequent procedures to follow.

2. The name of the supporters club must refer to FC BARCELONA and preferably to the region in which its activities will be carried out. To avoid confusion, identical or similar names that could be mistaken for existing supporters clubs shall not be permitted.

Names, company names, or logos of the supporters clubs that go against the inherent values of the Club are not accepted: public spirit, social inclusion, sportsmanship, solidarity, tolerance, ethics, democracy, Catalan identity, universality, fair play, and other values which capture the essence of FC BARCELONA's commitment to society.

If company names are to include the names of individuals, prior written authorisation from the party concerned or his/her direct family members, if s/he is deceased, is required.

3. Supporters clubs may not create or organise championships, schools, clinics or any other type of sporting activity which uses the FC BARCELONA image without prior and written authorisation from the latter. If a supporters club would like to organise such an event, it must contact the Supporters Club Department and sign the relevant agreement. Any unauthorised use of the FC BARCELONA image may entail the annulment of the supporters club, notwithstanding any claims for damages that may arise.

Article 5: PRIOR ACKNOWLEDGEMENT

Once the Club has agreed in writing that processing may continue, the parties concerned will have 90 days to apply for prior acknowledgement from the Supporters Club Department. To do so, they must fill in the form provided by the Department and include copies of the following documents:

- a) The founding charter, in which the name and membership number of the president must be included (or number of the commitment card holder), as well as the name and membership number (or number of the commitment card holder) of at least five club members or commitment card holders, if the supporters club is domiciled in Catalonia.
- b) The Articles of Association.
- c) A certificate signed by the president and secretary, indicating the number of pre-registered supporters club members at such time and, where applicable, the membership number or the commitment card holder number.

Once the documents have been reviewed and analysed, and the area delegate has reported that the requirements of Article 3 of these regulations have been met, the Club will make a decision in a maximum period of 30 days. If the stipulated requirements are deemed to have been met, a certificate expressly authorising the use of the requested name and/or other distinguishing marks owned by the Club shall be presented.

If 90 days elapse from the date on which written authorisation was given to continue the procedure and no process has begun, the name will be considered released, and a new application will need to be submitted to recommence the process.

Article 6: VALIDATION

Once the procedures in the previous article have been verified, the supporters club shall register the association in the following registries, and in those that replace them, within a maximum period of 90 days:

- Registration and Support Services for Legal Institutions, under the authority of the Directorate General of Law and Legal Institutions, of the Department of Justice, the Government of Catalonia, if domiciled in Catalonia.
- The national associations registry of the Government authority corresponding to the region in which it is domiciled or, alternatively, the associations registry of the relevant autonomous community, for the rest of Spain.
- The national associations registry of the Spanish consulate or embassy in the relevant country, when all or some of the members are Spanish nationals, for supporters clubs abroad. If no supporters club member is Spanish, the registry application shall be processed through the competent body of the country in question. To be recorded in the indicated registries, supporters clubs must be legally incorporated in accordance with applicable legislation.

Once recorded in the registry, the supporters club shall send a copy of the registration to the Club in a maximum period of 30 days from registration.

If the recording procedure in the relevant registry has not begun within a period of 90 days, the name will be released and a new application will need to be submitted to recommence the process.

Article 7: FORMALISATION

The Club's Board of Directors shall be responsible for formalising an association application as an OFFICIAL SUPPORTERS CLUB. Once the requirements stipulated under the regulations have been met and a favourable report from the area delegate has been obtained, the Board of Directors may only reject the formalisation of a supporters club when, after a Supporters Club Ombudsman hearing, the Board of Directors decides that it would be detrimental to other supporters clubs in the same town or area. If rejected, the association will be required to modify its name and logos when these include any references to names, brands or logos of the Club.

Once a supporters club is formalised by the Board of Directors, the Club shall provide written acknowledgement by way of a registered welcome letter, and will record it in the Club's Official Supporters Club Registry. FC BARCELONA will also provide a supporters club identification card, including its name and the OFFICIAL SUPPORTERS CLUB number assigned to it, which is sequential based on membership duration. This card will be renewed annually at the beginning of the season, and will always be subject to the maintenance of the regulatory requirements.

Once the supporters club is recorded in the Supporters Club Registry, it may enjoy all the privileges and special considerations granted thereto by the FC BARCELONA Articles of Association, regarding its involvement in the Club's social activities. All newly created supporters clubs recorded in the Supporters Club Registry may not request tickets for finals or A++ matches until three years have elapsed from registration.

Article 8: OFFICIAL SUPPORTERS CLUB REGISTRY

The Club has an FC BARCELONA Official Supporters Club Registry, indicating the following details:

- a) Address, telephone, fax, email address and official website of the supporters club. The creation and/or existence of branches or head offices differing from the registered offices is not permitted.
- b) Name, surname/s, address, national ID no., email address and contact telephone number of club supporters, indicating which are members (in such case, the membership number shall also be provided), enabling the

Club to interact with the members of the official supporters clubs and provide news and activities of interest as regards FC BARCELONA and their condition of club supporters, via any means or channels, in compliance with that indicated in Article 15 of FC BARCELONA's Articles of Association, which provides special consideration to members of associations supporting the objectives of FC BARCELONA.

c) Details of the supporters club spokesperson and/or contact person with FC BARCELONA.

d) Members of the board of directors.

Article 9: MAINTENANCE REQUIREMENTS

In addition to maintaining the conditions established under Article 3 at all times, all supporters clubs shall undertake to ensure organisation and operations remain active, in compliance with the formal requirements stipulated by law and these regulations. They also undertake to update details on a yearly basis, preferably between January and June, and to inform FC BARCELONA of such updates via the means determined by its Supporters Club Department at all times.

Information that must be updated by each official supporters club is as follows:

a) The execution of its annual meeting, by providing a certificate thereof signed by the president and the secretary of the official supporters club.

b) Any changes to board of director positions, indicating personal details that must be included in the Supporters Club Registry.

c) Club supporter registrations and cancellations.

d) Any changes to the registered office, telephone, fax, email address or website.

e) An activities report, detailing celebrations, occasions and events in which it has participated, organised (i) by itself, (ii) by other supporters clubs or (iii) by the Club, as well as to provide information about sporting events in

which the supporters club has taken part.

Supporters clubs that do not meet the aforementioned requirements shall be considered inactive and may be removed from the Official Supporters Club Registry.

Article 10: LOSS AND RECOVERY OF OFFICIAL SUPPORTERS CLUB STATUS

1. If a supporters club does not comply with the requirements stipulated under Article 3 or it does not update information, in accordance with that stipulated in Article 9, it will be temporarily deregistered and will lose the rights and privileges granted thereto under the identification card. The supporters club may be registered again when it normalises its situation before the following sporting season, without losing membership duration.

If this situation continues over two years, the supporters club will be definitively removed from the Supporters Club Registry, losing acquired rights and membership duration. A supporters club that has lost its official supporters club status, for whatever reason, may recover it provided that it meets all the requirements established under Article 3, and that the area delegate has submitted a favourable report.

2. In addition, supporters clubs may lose official status if they:

- a) Breach any of the obligations established under these regulations.
- b) Misuse any logos owned by FC BARCELONA, thereby creating confusion in legal relations or unfair competition.
- c) Promote any kind of violence.
- d) Cause and/or provoke damage to assets, facilities, rights and/or interests of FC BARCELONA.
- e) Falsify data submitted to the Club with regard to requirements established under Article 3 for the creation and maintenance of an official supporters club.

f) Attack the inherent principles and values of the institution.

3. Supporters clubs which engage in one of the aforementioned actions shall be removed temporarily or definitively from the registry, according to the severity of the punishable conduct.

Removal of a supporters club may be initiated by the Club of its own accord or at the request of any party concerned.

Once an enquiry has begun, the Supporters Club Department shall send a copy of the documents to the Supporters Club Ombudsman, the area delegate, and the concerned supporters club. This will allow the area delegate to issue the relevant report within 15 days, and the supporters club to submit an answer to charges, alongside a verification proposal, which may be of interest to it.

Once verification is carried out under the supervision of the Supporters Club Ombudsman, it will issue a proposed decision, which will then be submitted to the FC BARCELONA Board of Directors for a final decision.

from each of the geographical areas indicated herein or those that are newly created, and according to the procedures established in these regulations.

One delegate will be elected for each area. Delegates from each area who shall make up the Supporters Club Advisory Council shall be elected by a free, secret and equal vote. They shall be appointed for a maximum term of four years and may be elected for a maximum of two consecutive terms per delegate. Article 18: CANDIDATE CONDITIONS

1. A delegate candidate must be a president or vice president of a supporters club and, in all cases, a member of FC BARCELONA.

2. To be nominated a delegate candidate, support must be gained in writing via ballots provided by FC BARCELONA, from at least 15% of the supporters clubs in the relevant area. Each supporters club may support one candidate.

3. The Club must be informed in writing of all delegate candidates sufficiently beforehand, in accordance with the terms established under the electoral calendar, and must include the aforementioned ballots. Individuals who have

- Voters must demonstrate their identity by displaying their national ID cards and the identification card of the supporters club to which they belong.

2. Each supporters club shall vote for its president or, in the absence thereof, the vice president or manager previously nominated and authorised in writing by the president or the secretary of the supporters club, who must also notify FC BARCELONA of this nomination. Each elector may vote for one candidate in his/her area.

3. If only one valid candidate stands for election in an area, s/he shall automatically be elected as the area delegate. If no valid candidate stands for election in an area, the Club's Social Commission shall begin a new electoral process solely for said area, in order to fill the vacant delegate seat in the shortest period possible. The term of office shall conclude at the same time as other areas, regardless of when the corresponding delegate began his/her term of office.

Personal or postal votes shall be accepted.

Article 20: POSTAL VOTING

4. If an elector visits a polling station to vote after having done so by mail, the latter shall be considered not to have been received.

5. On the voting day, the individual responsible for each table shall ensure that all stipulated requirements are met. The closed envelopes containing the ballots shall be produced and shall be placed in the relevant ballot box for each area.

Article 21: VOTE COUNTING

1. After voting has finalised, the vote counting process shall be carried out. Vote counting shall take place over one event chaired by the manager appointed by the Social Commission, with the assistance of representatives from supporters clubs which wish to do so.

Article 22: LOSS OF DELEGATE STATUS

1. Individuals shall lose their delegate status and all associated benefits when they initially or subsequently do not comply with the requirements stipulated under these regulations to be elected as such (being a president or vicepresident of a supporters club and being a member of FC BARCELONA).

2. If a delegate seat becomes available in a specific area, the Social Commission shall begin a new electoral process solely for said area, in order to fill the vacant delegate seat in the shortest period possible. The term of office shall conclude at the same time as other areas, regardless of when the corresponding delegate began his/her term of office.

3. Irrespective of the duties of delegates and the Supporters Club Advisory Council, the FC BARCELONA official supporters clubs shall continue to maintain a direct relationship with the Club for all purposes in their interest, if they should so wish.

IV. CELEBRATIONS, EVENTS AND PROTOCOL

Article 23: EVENT PLANNING

1. Supporters clubs shall individually or collectively hold the gatherings, meetings and events (hereinafter, 'events') they deem appropriate, by always complying with the aims defined in their Articles of Association and the inherent values of the Club. For representation purposes, FC BARCELONA shall give priority to group events; that is, those which involve more than one

supporters club ('supporters club events').

2. Supporters clubs which are interested in holding events and that request the participation of FC BARCELONA representatives shall submit their proposal and schedule in writing to the Supporters Club Department of the Club with at least one month's notice. Supporters clubs located outside of Catalonia organising events, and those for which FC BARCELONA representation has been requested, shall endeavour to ensure they coincide with a match of any of the Club's teams.

3. The proposal shall contain:

a) The type of event.

b) The day, month, time and place the event will be held.

c) The schedule.

d) The local, municipal, regional, provincial, invited authorities, etc., and expected attendance.

e) The approximate number of expected guests.

4. The Club shall review all the received participation proposals and shall decide on the events to be attended.

Article 24: CLUB PARTICIPATION

1. For all cases in which the participation of Club representatives has been requested, FC BARCELONA shall decide which events to attend or not. If it decides to attend, it shall determine which individuals shall represent it at each event (president, managers, members of the Supporters Club Commission or other representatives nominated by the Club), according to their availability. If the Club takes part in the event, it shall establish the schedule protocol. Under all circumstances, participating FC BARCELONA representatives shall be considered the highest authority at the event, as well as the local representatives of the town or place in which the event is being held, and/or other institutional authorities, if applicable. The supporters club shall be

notified of the attendance of Club representatives, provided that the supporters club has provided the notice established in Article 23, with maximum notice of three weeks. FC BARCELONA may vary the period and representation at any time, based on the schedule and/or subsequent commitments.
